

# STEP Student Programs

## OH! ZONE SCIENCE SHOW

An exciting stage show demonstrating the **FUN**damentals of science featuring Rick and Rigo from General Atomics.

## DISCOVERY ZONE

Fascinating, hands-on display booths featuring engineers and scientists from high tech companies, colleges and government agencies who demonstrate science and technology to students.

## STEP TALKS AND GOOGLE CS FIRST LEARNING LABS

Interactive presentations covering STEM application topics geared toward inspiring students toward STEM educations and careers.
